workiasgun.ca@gmail.com

Game Art student working across **2D and 3D asset creation, UI design, and visual storytelling**. Lead 2D Artist on **Campus Quest** and founder of **Design Forge**, George Brown's student game design club. Comfortable across Adobe, 3ds Max, ZBrush, Figma, Unity, and Unreal, with a focus on iteration and art that holds up in-engine.

EXPERIENCE

• Lead 2D Artist - Campus Quest

Jul 2025 - Present

George Brown · Game Art capstone production

- Own the 2D art pipeline across characters, UI, and key visuals, translating narrative direction into in-engine art with Adobe Photoshop & Figma.
- Guided a first-semester junior artist on the team, mentoring her day-to-day and working together to deliver the art.

• Founder & Club Lead - Design Forge

Jan 2026 - Present

George Brown · student-led game design club

- Founded the club from scratch, built around craft, collaboration, and shipping real work.
- Program and run hackathons, workshops, and meetups that give students hands-on game-dev practice across disciplines.
- Lead branding, social presence, and recruitment, growing an engaged member base.

Event Staff & DJ (Contract) - Varsity Games

May 2025 - Dec 2025

Campus athletics live events

- Supported live event production: stage setup and teardown, on-site logistics, and DJ services, coordinating with leads to keep the schedule on track.

COMMUNITY

- **IGDA & indie game-dev meetups** - active member, networking with industry pros.
- **George Brown College events** - volunteered at orientations, convocation ceremonies, and campus expos.
- **Industry events** - Toronto Games Week, Microsoft AI Design, Framer, Chris Ware book launch.
